We're Leaving on a Jet Plane

On September 14 we are leaving for one of the most important trips of our lives to date—we are going to Singapore for two weeks! After years of praying, talking, and investigating missions options, God called us to HCJB Global and we are now taking a vision journey to see what God is doing in Asia-Pacific and how we'll fit into that work. During our trip we plan to explore Singapore to see where we might want to live, what we need to take with us and what we can get there, and maybe do a few tourist-type things like take Samuel to the zoo or the beach for the first time.

Toffer will also be heading into the field for part of the trip. Right now it looks like he's going to Thailand and Nepal, but plans are still being solidified. He's really looking forward to the opportunity to meet with our partner ministries and to having some first-hand experiences to talk about as we continue raising support when we get back.

Our tickets were bought about a month ago and specifics about our trip have changed many times since. We know that God has ordained this trip and that He has everything figured out even if we don't.

Prayer Notes

Praises:

- ∞ God provided funding and good air fare with seats together on every flight.
- ∞ God cares about and has ordained everything on this trip, even if we don't know everything ourselves yet.

Requests:

- ∞ Our trip would be a time of spiritual renewal and refreshment as we reflect on where we have been and where we are going in the future in this journey.
- ∞ God would give us a strong desire to live in Singapore and strengthen our passion for taking the Gospel to the Asia-Pacific region.
- ∞ The enemy's attempts to discourage us or cause issues with our trip would be thwarted.
- ∞ We would depend on God every day in every way, especially when we are apart.

Jeremiah 33:3

Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not.

How You Can Be Involved with Our Trip

- 1. Pray!** To the left are prayer requests specific to our trip. We will not make it through this trip without your faithful prayers and without our faithful God. We would love to be praying for you, so send prayer requests to us before we leave.
- 2. Write!** We should have access to e-mail and Facebook, so send us a quick e-mail or Facebook message to let us know you're thinking about us and praying for us.
- 3. Give!** Our trip is preliminary and we are praying that God gives us a strong desire to live in Singapore and an even stronger desire than we already have to take the gospel to the people in the Asia-Pacific region. We cannot go back until we have raised 100% of our outgoing expenses and have pledges to HCJB Global for regular giving to cover our monthly expenses. Would you make a commitment to regularly support HCJB Global and our ministry in Asia-Pacific so we can join in what God is doing there?
